MEMORANDUM FOR: Distribution

FROM: Executive Secretary

SUBJECT: 28 February Visit of White House Fellows

1. As has been the case occasionally in the past, this year's White House Fellows will visit Headquarters for an opportunity to meet with senior officials and to be briefed on some of the things that we do. This year the visit will take place on Thursday, 28 February. Following a series of briefings in the DCI Conference Room from 0900 to 1200, there will be a luncheon in the Executive Dining Room hosted by the Executive Director. The Director was originally scheduled to meet with the Fellows, but neither he nor the Deputy will now be free to do so. (The first attachment provides a schedule for the visit; no one need attend any event other than that for which noted.)

3. Although all of the Fellows possess at least a [redacted] clearance, no briefings will be held that discuss operational matters or those dealing with sources and methods. The second attachment provides a listing of those who will be visiting Headquarters.
